CURRENT SITUATION

Situation Summary:	Currently, 925 firefighters remain on-scene with additional resources available should further need arise. Firefighters continue to perform spot checks throughout the burned areas to prevent any chance of rekindle with a change in the weather. Current objectives include looking for opportunities to further build containment lines. We continue to monitor the weather and will have more favorable conditions this evening with lower winds and higher humidity. Looking ahead we are preparing for another Santa Ana wind event Sunday and Monday.
